About WICCM-2026

Healthy Hearts Stronger Lives

Advancing Heart Health Through Research, Innovation and Global Collaboration

The World Innovations in Cardiology & Cardiovascular Medicine (WICCM-2026) is a premier international webinar dedicated to uniting cardiologists, cardiovascular researchers, healthcare professionals, academicians and industry experts from around the world.

This virtual conference provides a global platform to share the latest research findings, clinical innovations, best practices and emerging technologies in cardiology and cardiovascular medicine.

In its 1st edition, WICCM-2026 aims to foster knowledge exchange, encourage multidisciplinary collaboration and inspire innovative solutions to the evolving challenges in cardiovascular healthcare, ultimately contributing to healthier hearts and stronger communities worldwide.

> *Together for Healthier Hearts and Stronger Communities Worldwide.*

CONFERENCE HIGHLIGHTS

KNOWLEDGE TODAY FOR HEALTHIER TOMORROWS

GLOBAL PLATFORM
Connect with cardiologists, researchers and healthcare professionals worldwide

LATEST RESEARCH
Explore recent advances in cardiovascular science and medicine

EXPERT KNOWLEDGE
Learn from global leaders and renowned experts

INTERDISCIPLINARY COLLABORATION
Bringing together diverse expertise for better cardiovascular care

INNOVATION AND TECHNOLOGY
Discover new approaches, tools and emerging technologies

GLOBAL PARTICIPATION
Engage with peers from multiple countries and regions

CONFERENCE OBJECTIVES

- Share the latest research and clinical insights in cardiology and cardiovascular medicine
- Promote interdisciplinary collaboration across healthcare fields
- Highlight innovative technologies and advances in cardiovascular care
- Provide a global platform for knowledge exchange and networking
- Inspire solutions to current and future challenges in cardiovascular health

Better Hearts Brighter Tomorrows

Who Can Participate?

- Cardiologists & Cardiovascular Specialists
- Researchers & Academicians
- Nurses & Allied Health Professionals
- Healthcare Administrators
- Medical Students & Early Career Professionals
- Public Health Professionals
- Industry Experts & Technology Developers
- Anyone Passionate About Cardiovascular Health

Healthy Hearts Stronger Lives

World Innovations in Cardiology & Cardiovascular Medicine (WICCM-2026)

1ST EDITION | DECEMBER 03 – 04, 2026 | VIRTUAL CONFERENCE

SCIENTIFIC SESSIONS

Explore a comprehensive range of sessions covering the latest research, clinical advances and innovations in cardiology and cardiovascular medicine.

26 DYNAMIC SESSIONS

DIVERSE TOPICS | GLOBAL EXPERTS | BRIGHTER OUTCOMES

01 General Cardiology & Cardiovascular Medicine

02 Interventional Cardiology

03 Acute Coronary Syndromes & Myocardial Infarction

04 Heart Failure & Cardiomyopathies

05 Coronary Artery Disease & Atherosclerosis

06 Cardiac Electrophysiology & Arrhythmias

07 Heart Rhythm Disorders & Pacemaker Therapy

08 Structural Heart Disease & Transcatheter Interventions

09 Valvular Heart Disease

10 Cardiac Imaging, Echocardiography & Cardiovascular MRI

11 Preventive Cardiology & Cardiovascular Risk Management

12 Hypertension & Cardiovascular Health

13 Dyslipidemia & Lipid Disorders

14 Diabetes & Cardiovascular Disease

15 Cardio-Oncology

16 Cardiovascular Genetics & Precision Medicine

17 Vascular Medicine & Peripheral Arterial Disease

18 Pulmonary Hypertension & Right Heart Disease

19 Cardiovascular Disease in Women

20 Pediatric & Congenital Cardiology

21 Geriatric Cardiology & Cardiovascular Aging

22 Cardiac Critical Care & Cardiovascular Emergencies

23 Cardiac Surgery & Advanced Cardiovascular Procedures

24 Cardiac Rehabilitation & Secondary Prevention

25 Sports Cardiology & Exercise Medicine

26 Digital Health, AI, Wearable Technology & Emerging Innovations in Cardiology

CALL FOR ABSTRACTS

Share Your Research.
Advance **Cardiovascular Care.**
Shape a **Healthier Tomorrow.**

SUBMIT YOUR RESEARCH

Share your original cardiology research, innovative ideas, and clinical insights in cardiovascular medicine.

PRESENT YOUR SCIENTIFIC WORK

Showcase your research through oral or e-poster presentations and contribute to the exchange of knowledge in cardiovascular medicine.

CONNECT WITH GLOBAL EXPERTS

Network with cardiologists, cardiovascular researchers and healthcare professionals from around the world.

GAIN INTERNATIONAL EXPOSURE

Enhance your academic and professional visibility and open doors to new opportunities and collaborations.

ABSTRACT SUBMISSION OPEN

Submit your research and join WICCM-2026
